

# SurgeProtect<sup>SM</sup> + Perks

## Getting cash back always feels good.

When life gets in the way — like a power surge destroying electronics or appliances — getting reimbursed for repair bills would be great. And what would be even better? Getting cash back when life is going right... like every time you go shopping.

Introducing SurgeProtect + Perks — the plan that pays customers back, up to \$2,000, for any covered surge-damaged item in their home. Plus, their cash back continues with rewards of up to 10% back at over 300 retailers, restaurants and travel partners.

## Homeowners get cash back for...

### SURGE EVENTS

- Protects customers from unexpected repair and replacement costs for their covered surge-damaged electronics, electrical systems, appliances and more
- Up to \$2,000 reimbursed — with no deductible
