

# SurgeProtect<sup>SM</sup> + Perks

## Getting cash back always feels good.

When life gets in the way — like a power surge destroying electronics — getting reimbursed for repair and replacement bills would be great. And what would be even better? Getting cash back when life is going right... like every time you go shopping.

Introducing SurgeProtect + Perks — the plan that reimburses customers, up to \$2,000, for the repair or replacement of any covered surge-damaged item in their home. Plus, they get cashback rewards of up to 10% at over 300 retailers, restaurants and travel partners.

## Renters get cash back for...
