

Avoid those expensive home repairs...

with a home protection plan

A Cinch home protection plan bridges the gap between what homeowners insurance does and doesn't cover, giving you full protection inside and out.

When major home appliances and systems break down, Cinch helps pay the bill for repairs or replacements — saving you a lot of stress and money.¹

You'll have access to pre-screened, licensed professionals you can trust to help get your home up and running again, fast and hassle-free.
